Who Cares if the Ground Hog got it
right, *Spring* is STILL Coming. I promise.

Spring is Springing! Yay! I just came inside from shooting a video outside and WOW! It's nice out! Yes I realize that when you get this and read it that it could be cold and rainy, but those cold days are just about over. Everyone loves Spring, primarily because it means... summer is near!

For many across this great country though, it's still **COLD**, grey and snowy! One thing is for sure, this winter season is coming to an end. It does every year without fail.

Just like the weather seasons come and go, so do the seasons of life. Are you with me when I say that these seasons seem to come and go faster and faster as well as the time?

Some of life's seasons will be **HOT** and others will be **COLD**, some high and some low. The lows we want to move by quickly, the highs we want to stay in forever. But it's the low points, those tough times, that I have learned the most from. All of the experiences through these seasons make me who I am.

Why we Support Our Local Food Bank Foundation...

There's NO place like home! I'm proud to say that I've spend most of my life right here in Waterloo Region. I did my schooling here, met my beautiful wife here, started my family and business right here and I CANNOT think of a better place to raise my kids than right here. This community has been amazing to my family and business, so I wanted to give back.

I remember when I first heard about the amazing work being done at our local Food Bank by a volunteer donating her time. "Not everyone is able to put food on the table. In Waterloo Region, more than 34,000 people are forced to make impossible choices about how to provide for their families. Pay bills or buy groceries. Dental care or the kids school trip?" This was heartbreaking to hear and immediately I knew this was a worthy case we could really get behind and champion.

We're on a mission to raise \$10,000 to purchase non-perishable items. We do this by donating a portion of our income from each home sale to help The Food Bank feed our local community. We hope you can be part of this great cause. Thank you for making a difference in our community and in the lives of those who are in need of food assistance.
